

**There are NO more Angel Ornaments left
on our Tree**

But there are Angel Alternatives!!!

It is now easier than ever to **shop** for the Angels. From the comfort of your home or office you can shop **Walmart or Amazon** and help **The Salvation Army** bring hope and joy home to so many children through the **Angel Tree Program**.

It is because of your generosity that **4,000** children in Lee County will wake up Christmas morning with something to open under the tree. Join our **Army of Hope** this Christmas!
